

## *Be the change.*

At CBIGGG we are committed to being the best team we can be. We come together to get the job done. But we also come together to lend a hand in our community.

## *Partners in Change*

When the opportunity arose to help the Houston based organization, Vita-Living, INC., CBIGGG stepped up. Vita-Living offers lifelong support to almost 500 individuals with intellectual and developmental disabilities.

The majority of Vita-Living's clients are diagnosed with Cerebral Palsy and Autism, resulting in the need for automated or accessible homes and many other services that Vita-Living provides, free of charge.

CBIGGG corporate and Club staff will volunteer their time one afternoon with Vita-Living and their clients. They will share their smiles and their hearts to brighten the day of others in our community playing BINGO, making crafts, and doing puzzles together.
